Your letter on April 25th was addressed to both Capitol Corridor and BART. Capital Corridor's letter dated May 13th to you represented the response of both agencies. Capital Corridor, BART, City of Richmond, AC Transit, and Golden Gate Transit have been working together from the early stages of this project to assess and address the project issues, including the ones that you have raised.

I would like to take this opportunity to clarify that both BART and Capitol Corridor riders can purchase permits for day parking and long term parking via this website:

https://www.select-a-spot.com/bart/reservations/amtrak_facilities/?type=daily

We hope that this addresses your concerns and thank you for your comments.

Sincerely,

Robert Powers
Assistant General Manager, Planning, Development & Construction
